

EBSCO Information Services in collaboration with
University of Zagreb Faculty of Agriculture
invite you to

a practical seminar on

„Effective study and research in EBSCO databases“

**Presenter: Pavel Synek, EBSCO Information Services
Trainer and Support Representative**

Date: February 19th 2014 (Wednesday)
Time: 10:00
Place: Chamber room / Velika vijećnica
VI Pavilion | Svetošimunska cesta 25 | Zagreb

Agenda:

- Introduction to databases (CAB Abstracts, GeoRef, etc.) and their coverage in detail
- Live searching in practice
- Advanced ways of processing your research output
- Where to find more information on searching

We are looking forward to your participation!
