

1st International Conference for Sustainable Entrepreneurship Education

*blending the three colours of sustainability, entrepreneurship education and
higher education for sustainable entrepreneurship education*

to be held online on

Thursday 25 and Friday 26 November 2021

*on Thursday 25 November the Conference will be held from 9.00 – 16.30 CET,
on Friday 26 November from 9.00- 13.00 CET, and delivered from BOKU, Vienna*

*The Conference is promoted by the INTRINSIC Project for Innovation in Teaching & Learning
for Sustainable Entrepreneurship in Life Sciences Higher Education
co-funded by the European Union by the Erasmus+ program
under grant 2018-1-AT01-KA203-039303.*

Co-funded by the
Erasmus+ Programme
of the European Union

A FOCUS:

To inspire and engage higher education teachers to embed Sustainable Entrepreneurship Education in Life Science degree programs.

B AIMS:

- To share with the delegates the outcomes of the INTRINSIC project (<https://www.intrinsic.eu/>) and engage with leaders in developing sustainable entrepreneurship education.
- To introduce and discuss the concept and methods for teaching and students' learning sustainable entrepreneurship related to SDGs with higher education teachers and institutional curriculum decision makers.

C EXPECTED OUTCOMES

Delegates will take back to their universities their reflections of:

1. a framework for supporting the development of students' sustainable entrepreneurial skills at life science universities, in stand-alone entrepreneurial degree programmes and across the curriculum in discipline specific degree programmes.
2. an understanding of the delivery of sustainable entrepreneurial education in the context of the SDGs with new perspectives for future developments.
3. the set of tools developed by the INTRINSIC Project to support the delivery of the learning outcomes for sustainable entrepreneurship education.

A Network of university staff and university stakeholders, who have a commitment to implement education for sustainable entrepreneurship in their teaching and their students' learning, engaged in the Special Interest Group focusing on Sustainable Entrepreneurship Education within the Association for European Life Science Universities (ICA, www.ica-europe.info).

D TARGET AUDIENCE

Lecturers, degree programme coordinators, and vice deans and vice rectors for education, researchers in entrepreneurial education.

E PROGRAMME

Session 1 is directed primarily towards lecturers and degree programme coordinators, Session 2 is directed towards curriculum decision makers in higher education institutions, degree programme coordinators, and vice deans and vice rectors for education.

The programme lasts from 9.00 – 16.30 CET on Thursday 25 November and from 9.00- 13.00 CET on Friday 26 November.

Thursday 25 November 2021, 9:00 - 16:30 CET
