

TODO-NODC2021

## TODO National Open Data Conference

**First announcement**

20 - 22 September 2021

online/hybrid

Dear colleagues,

as preparations for **TODO-NODC2021** are underway, we would like to inform you that TODO-NODC2021 will be organised from **20th to 22nd September 2021 in online/hybrid mode by the** University of Zagreb Faculty of transport and traffic sciences.

**National Open Data Conference 2021** aims to connect stakeholders of different sectors and disciplines interested in the field of Open Data in Croatia in order to establish coordination of efforts at the national level. The event will be **open to all the contributing authors as well as on-line attendees without contribution with no participation fee.**

A three day event will provide focused disciplinary panels (law, geodesy, agriculture, electrical engineering and computing, organization and informatics, traffic and transport) enriched with the established keynote speakers from the field of Open Data and keynote speakers critical in implementation of the Open Data agenda in Croatia.

Accepted abstracts will be published in the **TODO-NODC2021 book of abstracts**. Selected contributions will be **invited for the full paper submission and review for the special issue of the INDECS journal**. The best contribution award is planned for the most distinguished young researchers.

Additional information on the registration, contribution requirements and the keynote speakers will be available shortly in the following announcements and via TODO communication channels ([www.todo-project.eu](http://www.todo-project.eu) Facebook, LinkedIn, Twitter).

On behalf of the Organisational and Scientific committees and the organising institution,

prof. Miroslav Vujić, PhD
