

Communication on the organisation and conduct of the:

BIOTECHNICAL SCIENCE PHD DAYS

2024

September 12th and 13th, 2024

Dear colleagues,

We are excited to announce that the Faculty of Agriculture, the Faculty of Forestry and Wood Technology, and the Faculty of Food Technology and Biotechnology, all components of the Biotechnical field at the University of Zagreb, will co-host the **Biotechnical Science PhD Days 2024 on September 12th and 13th, 2024**.

This year's joint Biotechnical Science PhD Days 2024 will be hosted by the **University of Zagreb Faculty of Agriculture**, which invites PhD students, professors, mentors, study advisors and all other interested participants to this event, which will take place "in person" at the address: **Zagreb, Svetošimunska cesta 25**.

The aim of the Biotechnical Science PhD Days 2024 is to present the research results of PhD students and postdoctoral researchers, exchange experiences, network PhD students in the field of biotechnical science and familiarize participants with the diversity of scientific topics of current PhD research in the field of biotechnical science.

All PhD students in the field of Biotechnical Science, especially postdocs graduating in the academic year 2023/2024, can present their previous achievements and research results in the form of oral or poster presentations on their dissertation topics at the Biotechnical Science PhD Days 2024. All abstracts of the presentations will be compiled and printed in the Book of Abstracts of the Biotechnical Science PhD Days 2024. Oral presentations can be given in Croatian or English, while PowerPoint presentations and posters should be prepared in English.

Please indicate your intention to participate with an oral or poster presentation or only as a participant (observer) by filling in the registration form that you can find online.

- ❖ If you intend to **participate with an oral or poster presentation**, please submit the [registration form](#) no later than **June 3, 2024**.

- ❖ The **research abstract** must be submitted no later than **July 3, 2024** using [the template](#) that can be found online.

- If you would like to **participate as an observer**, please submit the registration form by **September 1, 2024** at the latest.

The Organizing Committee will select the oral presentations from the submitted abstracts (if their number exceeds the available quota for oral presentations by PhD students). You will be informed of the result of the selection by **July 12, 2024**, at the latest. Doctoral students who are not selected for oral presentations will present their results in the form of posters.

If you have any questions regarding registration and participation in the Biotechnical Science PhD Days 2024, please contact:
