08.46.02	Landscape-scale Restoration	Spring 2024	4
04.63.05	LARC IV - Landscape analysis and landscape theory	Spring 2024	10
06.70.06	LARC VI - Landscape and Man Made Constructions	Spring 2024	12
08.49.0200	Special Topics in Restoration Ecology	Spring 2024	0
08.34.03	Subarctic soil biology and lateral transports	Spring 2024	6
08.45.02	Wetland, River, Coastal, and Marine Restoration	Spring 2024	4
07.58.02	Planning theory		
03.21.03	Crop Science I	Fall 2023	6
03.54.02	Environmental sketching and impact of colors	Fall 2022	4
04.64.02	Drawing and Modelling	Fall 2022	4
01.90.01	Icelandic Culture	Fall 2023	2

ABOUT AUI	
<p>2 locations:</p> <p>Hvanneyri Campus (West-Iceland)</p> <p>Keldnaholt Campus (Reykjavík)</p>	<p>3 Faculties: Agricultural Sciences, Environmental Sciences and Planning Sciences. 3 research farms: Dairy farm, sheep farm, horse farm 1 Agronomy Research Center, Hvanneyri</p> <p>Main campus is situated at Hvanneyri where most of the university teaching takes place, approximately 80 km from Reykjavík and 15 km from the town of Borgarnes (bus connection between Reykjavík and Borgarnes exists). There is no grocery stores in Hvanneyri and no public transport to and from Hvanneyri. Students have to arrange their own travels. The International office is assisting with arrival and departure. There are always possibilities to arrange rides with local students to Borgarnes where all supplies are available. Very recommendable for exchange students to bring a own car (Ferry from Denmark).</p>
