Legal Representative: Rector – Prof. Dr. Mehmet KARAKOÇ

Vice-President in Charge of International Affairs: Vice Rector – Prof. Dr. Ahmet TANYILDIZ

BRIEF DESCRIPTION OF INSTITUTION

Dicle University(DU), founded in 1973, is one of the oldest universities in the south eastern region of Turkey. It is located on the banks of beautiful Tigris River, which is called “Dicle” in Turkish. Apart from its main campus in Diyarbakır, the University has campuses for its vocational schools in the counties of Ergani, Çermik, Çüngüş, Kulp, Lice, Bismil and Silvan. Dicle University is engaged with teaching and research to push the boundaries of human knowledge. It offers an excellent student experience and a social environment for students who are excited to investigate the biggest issues of the 21st century. It is the mission of Dicle University to achieve world- class excellence in every area of teaching and research.

Cosmopolitan DU

Dicle University welcomes international students and teaching staff sharing different backgrounds ranging from Africa, Asia, America, Australia and Europe. The university offers significant opportunities with its modern technological classrooms, labs, workshops and studios for those preferring to get authentic and on the job life experiences.

Multicultural Habitat DU

Having more than 30.000 students and more than 4000 staff, DU is a vivid and colourful educational center for those with varied cultural values, beliefs, and origins. Being the symbol of unity, multicultural and ethnic wealth and respect, DU is the hope for Turkey and The Middle East, thus the world, in training and preparing future generations, and it is a social lab to host academic world interested in studying diversity of cultural values.

Top Choice DU

The most preferred university of the region, DU provides students with diverse programs at pre-bachelor's, bachelor's, master, doctorate and post doctorate levels with a unique campus of 16 faculties, 4 schools, 12 vocational schools, 4 graduate schools, 37 research and application centers, 1 state conservatory technopark, congress centres and student centres.

Health Centre DU

DU hosting a 1500-bed research hospital equipped with the latest technological facilities and experienced staff, DU is the biggest and most important health center of the region serving thousands of people consulting from different parts of Turkey.

Heart of Economics DU

Dicle University functions like a plant in training and supplying the required educated and experienced staff with high level of competency for economic world through its partnerships with a number of local, regional, national, and international economic and industrial rooms, organizations, and communities.

LOCATION & ACCOMODATION

Dicle University is located in Diyarbakir city center. Transportation between the city center and the university is provided by municipal buses and private minibuses. Additionally students and university staff on campus are provided with shuttle busses to provide transportation between faculties.

Dicle University has five dormitories located on the campus and two off campus for student accommodation. In addition to state dormitories, there are private hostels and dormitories located in different parts of the city. Students can also rent flats in the city center very close to the university campus.

FACILITIES

Dicle University offers a lively campus life to its students and staff through its social and cultural facilities. During your visit to Dicle University, you can stay in our Guesthouse and also make use of the supermarkets, cafes, restaurants, banks and post office on the campus area. With its indoor and outdoor sports grounds, Dicle University offers you a wide range of sports activities from swimming to tennis. Dicle University, having a socially vivid campus, additionally provides its residents and visitors with health services through its Medicine Faculty Research Hospital.

BRIEF DESCRIPTION OF OFFICE OF INTERNATIONAL AFFAIRS

Dicle University Office of International Affairs with its well experienced and full time staff, coordinates all exchange programs. It holds orientation programs and provides counselling for incoming and outgoing students within the framework of Erasmus and Mevlana Exchange Programmes. Office of International Affairs arranges social programs for incoming students and provides all necessary documents at their arrival. Besides, it matches each incoming student with one of the students from the corresponding departments. These buddy students help incoming students to adapt to the life in Diyarbakir and Dicle University.

Dicle University Office of International Affairs has provided its students and teaching staff with an unforgettable experience of studying abroad by partnerships and exchange programs with 341 different universities and institutions all over the world since its foundation in 2004. On the other hand, under Mevlana Exchange Program, we have provided our students and teaching staff with a chance of studying or lecturing abroad in 35 different countries all over the world since 2013.

Dicle University Office of International Affairs also participates in international education fairs organized in different countries and having participants from many countries of the world.

EXPERIENCES in INTERNATIONAL COOPERATION

For many years, Erasmus and Mevlana exchange programs have been successfully carried out by Dicle University Office of International Affairs. More than 1000 students and staff have benefited from Erasmus and Mevlana Exchange Program mobilities. These exchange programs have not only helped to internationalize students and staff but also increased coordination with civil society, government offices and businesses in Diyarbakır. These exchange programs also provide knowledge and experience sharing and learning new cultures.

On the other hand, DU Office of International Affairs carries out international project with The Project Coordination Research and Application Center, established in 2008 within the body of Dicle University, informs students and staff about national and international grant programs and provides technical support. The projects coordinated by the Project Coordination and Research Center contribute increasing the capacity and quality of our university and also contributes to the development of our city and our region.

Since 2008, The Project Coordination Research and Application Center has carried out 5 mobility project for VET learners and staff, 4IPA (Instrument For Pre-Accession Assistance) project, 10 Mobility project for young people and youth workers. In addition, The Project Coordination Application and Research Center has provided consultancy services to more than 100 projects prepared by different faculties and departments of our university.

At the moment DU has 22 Erasmus + International Credit Mobility (KA171) Projects and 3 Erasmus+ KA131 Projects with more than 1 Million Euros budget. The International Credit Mobility Projects range from many countries from Argentina, USA, Nepal, Peru, Moldova, Ukraine, Tunisia, Algeria, Morocco, Palestine, Jordan, Malaysia, India, Indonesia, Azerbaijan, Uzbekistan, Georgia, Vietnam, Ghana, Montenegro, Lebanon Iraq.
